

ANNUAL PROGRESS REPORT

Mission and Religious Education

Goal

Extension of staff's knowledge and understanding of contemporary Religious Education and Theological learning.

Achievements

- Teacher background information is included in all RE units.
- Staff surveyed and informed 2017 staff spiritual formation development.
- One Conference attended by all staff.
- Staff collaboration in developing and connecting the RE curriculum with other curriculum areas.

Learning & Teaching

Goal

Improve literacy achievement across all year levels.

Achievements

- Data walls for PM levels constructed.
- Review and Response meetings held and followed up on.
- Targeted intervention programs for students in Prep to Year 3 who were identified from the data gathering.
- SPAT testing occurred and data was used to inform targeted intervention.
- Students retested using SPAT after intervention. Gains were then presented to parents.

Goal

Identify students showing little to no growth using monitoring tools to improve educational outcomes.

Achievements

- Data collected and uploaded to Catholic Education.
- Time line given to staff.
- Words Their Way spelling inventory and writing analysis data collected.
- Concepts about print data collected.
- Letter - Sound knowledge data collected.
- Post inventory data collected and reported back to parents.
- The following data collected: Pat R, Pat M, PM, Probe, Dolch sight words.

Professional Practice & Collaborative Relationships

Goal

Professional learning opportunities to increase teachers professional and performance capabilities.

Achievements

- iSmart goals set by staff.
- Some staff attended BCE offered Leadership Courses.
- Staff meetings held on Code of Conduct and the BCE Harassment Policy and Procedure.
- StaffMatters events held every term and support offered to staff as needed throughout the year.
- ASSURE program information handed out to staff.

Goal

Staff are given opportunities to extend leadership capacity.

Achievements

- BCE initiatives and opportunities are emailed on to staff and discussed at staff meetings.
- Staff are given opportunities to step up into leadership opportunities.
- Staff have been given the opportunity to act in the Principal's position.
- RE team engaged in the validation process and working with the staff.
- Jessica Burke supported to complete a Woman in Leadership course.

Strategic Resourcing

Goal

Budget for professional learning and formation opportunities for staff.

Achievements

- Funding provided for specific areas such as Literacy and Numeracy with \$5000 spent on Math equipment and reading resources purchased.
- Principal, Parish Priest and School Board Chair attend Governance in-service on Accountability Channels.

Goal

Teachers are skilled at accessing, interpreting and using data on the BI tool. Data is collected within a timeline and put on a managed system.

Achievements

- Data was accessed on the BI Tool during planning.
- Data was uploaded on the BI Tool in line with the monitoring tools time line.
